

Tutorial Menambahkan produk

- Login sebagai admin
- Setelah itu buka Tab **Products**. Klik **Add Product**

The screenshot shows the Shopify Admin interface under the 'Products' tab. On the left, there's a sidebar with links like Home, Orders, Products (which is selected and highlighted in green), Inventory, Transfers, Collections, Gift cards, Customers, Analytics, Marketing, Discounts, Apps, Sales channels, Online Store, and Facebook. The main area is titled 'Products' and has tabs for All, Active, Draft, and Archived. There's a search bar labeled 'Filter products'. Below the search bar is a table with columns: Product, Status, Inventory, Type, and Vendor. The table lists six products: Animuz Watch, Base Cap, Beanie Hoku, Black Mamba Short, Blast Boxer, and Bloated Cap, all marked as 'Active' with 10 in stock and Dripsndropsstore as the vendor. At the top right of the table is a green 'Add product' button, which has a red arrow pointing to it.

The screenshot shows the 'Add Product' form. It has several sections:

- Title:** A text input field containing 'Short sleeve t-shirt'.
- Description:** A rich text editor with a toolbar showing Paragraph, Bold (B), Italic (I), Underline (U), Align (A), and other options. Below the editor is a large empty text area.
- Media:** A section with a dashed box for uploading media, two buttons ('Add file' and 'Add from URL'), and a note that it accepts images, videos, or 3D models.
- Product status:** A dropdown menu set to 'Draft'. A note below says 'This product will be hidden from all sales channels.'
- SALES CHANNELS AND APPS:** A section with a 'Deselect all' link and two checked checkboxes: 'Online Store' and 'Facebook'. A note for Facebook says 'Facebook has noticed your Facebook account is not connected. Connect your Facebook account to run a campaign.' and a 'Learn more' link.
